

School Messenger Contact Update Information

QACPS has launched a new messaging system designed to enable parents, staff, students and other community members to stay informed and up-to-date on important information and activities underway within the school community. In order to update your preferences on how you would to receive the calls and emails, you must follow the directions below:

There are two ways to create an account:

1. Download the free SchoolMessenger mobile app. It can be downloaded for Apple iOS and Android devices from <http://go.schoolmessenger.com>.
2. Use the web version and go to <http://go.schoolmessenger.com>

Once you have created an account, you can update your contact information and configure how you would like to receive notifications by clicking your name in the upper right corner and choosing preferences. You may then select or deselect the phones/emails you want for emergencies, delayed openings, general messages, etc. You must create an account if you wish to update your preferences on receiving notifications.

You are allowed to program 4 numbers and 2 email addresses per student.

Text messaging will be available at a later time , directions will be sent out separately.

If you wish to add a new number or email, you will need to call or email the Accountability Office at 410-758-2403 ext. 137 or by email: renee.wolff@qacps.org.
