Price:
\$20.00

Eligibility for parking privileges:

- All fees/fines/obligations must be paid
- Must maintain a 2.0 GPA or higher

Failure to abide by the following regulations may result in the loss of parking privileges.

1. Parking on school grounds is a privilege. Violation of parking rules (outlined below) will result in suspension of driving privileges and/or further disciplinary action.
2. **Parking pass #'s are associated with an assigned parking spot, therefore you must park in your assigned parking spot and you may not park without a parking pass.**
3. All lost or stolen passes will be replaced at a cost of \$5.00. A copy of a valid driver's license and vehicle's registration must be submitted with application.
4. Students may not sit in their cars while parked on school grounds. Students are not to leave the building during the school day to get things from their car without first obtaining permission from an administrator. Cars are to remain locked while on school grounds, KIHS is not responsible for lost or stolen property stored in student vehicle(s).
5. To begin the school year, only eleventh and twelfth grade students who meet the eligibility policy will be issued a pass.
6. Students are to obey all county and state traffic regulations. Students are to follow all traffic and ONE WAY directional signs. The speed limit in all parking lots is **15 MPH**. Students who drive carelessly on school property will have their parking pass suspended or revoked.
7. School buses have the right-of-way in all school lots.
8. Parking passes must be hanging with an unobstructed clear view from your rearview mirror.
Pass holders not displaying the hanger will be issued a school warning and/or asked to move their vehicle off of the student parking lot.

9. **Just because you have a parking pass does not mean you cannot be ticketed, issued a school warning, or towed.** Some examples that may cause you to be ticketed, warned or towed include: a) parked in staff area; b) parked in unmarked parking spots; c) parked in handicap or visitor space; d) not having your parking pass properly displayed; e) excessively loud operation of car stereo equipment, f) driving in an unsafe manner. **Up to 2 school warnings may be issued for minor violations, a 3rd warning would result in a revoking of your parking pass.**
10. No student to student parking pass transfers are allowed under any circumstances.
11. Violations of the above guidelines may result in suspension of driving privileges and/or towing. Students will be responsible for towing fees.

If you have any questions at any time concerning the parking policies or parking tickets you have received, please see an administrator by 3:00 p.m. on the same day the warning is received.

Other Violations that may result in the loss of parking privileges:

1. Excessive tardiness or absenteeism to school and/or classes.
2. Students not maintaining a 2.0 GPA eligibility policy at the end of each progress reporting period.
3. Other violations determined by the Principal or Assistant Principals.
