2. Old Business: Continued, on-going discussion as to the importance of the Concession Stand and its role in funding the activities for all the band programs.

Joe Corbi order was very successful with the students meeting the minimum requirements. The students will be receiving 5.75 per order instead of the initial 5.50 to be added to their Student Band Account. The orders will be delivered on 11/16/2022 between 1 and 2:00 and volunteers will be needed to help sort the orders for pick-up.

Cost estimate has been given by Ron Frederick for a new shed to be built by the Carpentry students. Awaiting a further estimate and timeline from Mr. Frederick. Once the old shed is taken down and disposed of, Mr. Wright suggested the trailer be used as a "pod" for the contents of the shed as the trailer will not be needed until Districts.

All Shore: QACHS has been approved to host the All Shore event which will be held on April 14 and 15th. Volunteers will be requested closer to the event dates.

5. New Business:

B. McMillin brought to the attention of the group that the gator needs new tires and inquired as to the maintenance of the gator. Maintenance was done on the gator before Band Camp of 2021 and is done every other year.

B. Yoos mention it has been discussed amongst those that load the trailer than an electric winch may be helpful and if it could be looked into/purchased to assist pulling the wagon onto the equipment trailer.

Short discussion, again, was held regarding the equipment trailer as to whether we (the Band Boosters) continue to use the existing trailer or look into purchasing a new one. The trailer is owned by the Band Boosters, not the school. It is a 2005 year trailer and purchased in 2006.

Winter Concert Basket Raffle: Two baskets will be assembled for raffling off the night of the Winter Concert. Mr. Wright will determine how the band will be split in order to receive donations for both themed baskets and will work on a flyer announcing the raffle.

Spring Trip Payment: Payment slips for the Spring trip will be coming home in the next week or so.
